

Impact I 8

DESCRIPTION

The Impact I 8 is an extremely comfortable cut level 3 glove with impact protection on the back. It is made with an I 8 gauge liner, a fine polyurethane coating on the palm and PVC impact protection on the back of the hand. This glove is manufactured with a cut resistant Japanese fibre Tsunooga which gives the user excellent dexterity whilst still protecting their hand from cuts.

RECOMMENDATION

- For fine and delicate manipulations.
- When handling small, sharp components.
- Aerospace industry
- Galvanizing industry
- Automotive industry
