

microlin cooper

TEK 549-3

DESCRIPTION

This is a Cut level B glove with a 15 gauge liner and grey PU coating. The fine cut resistant yarn offers excellent protection for a lightweight glove. The thin polyurethane coating in addition to the cut resistant liner makes this glove highly durable. It is close fitting and dextrous which allows for precision handling.

RECOMMENDATION

- Electronics
- Tiling
- Component Handling
- General Assembly
- Ducting/Pipework
- Steel Handling
- Glazing
- Automotive Manufacturing
