

WG-555 DUO

DESCRIPTION

The result of our quest for the ultimate light-duty glove, the WONDER GRIP® WG-555 is based on an innovative dual liner: the nylon knit wrist goes up to the middle of the hand to ensure a snug and secure fit, while the breathable microfiber knit liner for the knuckles and fingers provides excellent dexterity, softness and unlimited fingertip precision.

The breathable foam nitrile coating of the WONDER GRIP® WG-555 contributes to keep your hands dry, and maintains a great grip in a wide variety of applications, helping you overcome work challenges every day. Thanks to its ergonomic design, the WONDER GRIP® WG-555 provides the best fit and comfort in its category. Level 4 abrasion resistance gives the WONDER GRIP® WG-555 excellent durability. With ultimate fit, comfort, dexterity and precision, the WONDER GRIP® WG-555 is the best glove available for work situations where fingertip dexterity and precision handling are essential to productivity.
